Account Overview:

Heritage High-Yield Checking™ is a free checking account with no minimum balance that pays a high rate of dividends when certain minimum qualifications during the account's Monthly Qualification Cycle are met. See Consumer Fee Schedule for current fees.

Rate Information:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union's Board of Directors. This is a tiered rate account that pays a high rate of dividends, as well as a second tier rate of dividends, if you meet the qualification criteria, and pays a lower rate of dividends if you do not meet the qualification criteria. Please refer to our separate Consumer Rate Schedule for current rate information.

Compounding and crediting - Dividends will be compounded every day. Dividends will be credited to your account on the last day of each monthly statement cycle.

If you close your account before dividends are paid, you will not receive the accrued dividends.
